

## NEWS OF CITY AND COUNTY CONDENSED

E. F. Jordan has returned from a visit to relatives in Alachua.

Mrs. A. Hunsicker and G. L. Mack of Rocky Point were shopping in the city yesterday.

Nicely furnished room for rent. No cooking. Apply on premises, 303 E. Liberty street, or at this office.

Mrs. S. T. Dell has returned from States, where she has been on a visit to her parents, Col. and Mrs. W. T. Woods.

Friends of Dr. A. J. Vidal, who has been suffering with pleurisy for the past three weeks, will be gratified to learn that his condition is greatly improved.

M. D. Fulton, a prominent citizen of North Carolina, was in the city yesterday. He is thinking seriously of settling in Florida, and was here on business with the United States land office.

Miss Edith Hendricks of Green Cove Springs, after a pleasant visit to Miss Ada Banks of this city, has returned to her home. She was accompanied by Miss Banks, who will remain in Green Cove Springs for a few days.

Dr. C. F. Dawson has returned from Miami, where he has been on official business for the State Board of Health. Dr. Dawson reports the spinal meningitis among horses in that section, which is proving quite serious.

Work has begun on the brick building of S. H. Benjamin of Micanopy, which will be a modern structure in every respect. The building will contain three stories, and will no doubt meet a ready demand, as the commercial interests of Micanopy are very encouraging just now.

An enjoyable party was given by members of the Gainesville Guards at the home of Mr. and Mrs. S. H. Dempsey, 402 N. Pleasant street, Monday evening, which was well attended by the young people. The evening passed off in a most enjoyable manner, and all who attended report a delightful time.

Homer Love of Trenton was a business visitor to Gainesville yesterday. Mr. Love is engaged in the spinning business and states that the damage to the cotton crop is apparently not as bad as some farmers have placed it. He believes that 10 per cent on an average in his section will cover all loss on this staple. The spinning so far this season averages favorable with last year.

Alachua and Baker counties are taking a lively interest in the State Fair. Major Tench, the Fair Commissioner of the former county and Mr. Barber of the latter county, were in the city yesterday and spoke of the active work being done by their people toward making a creditable exhibit. Major Tench makes no secret of the fact that Alachua expects to capture the first county prize, and Mr. Barber, while he is not making any claims, says that Baker will be somewhere near the top.—Tampa Tribune, 10th.

Mrs. Edith Hunter, accompanied by her daughter, Miss Edith, and son, Will, were in the city yesterday on their way to the East Coast. Mrs. Hunter and Miss Edith will have charge of the schools at Jensen, while Miss Susie Hunter will teach at Titusville. Both mother and daughters are thorough instructors and have many friends in Alachua county, where they have been engaged in teaching. Mrs. Hunter was secured for the Gainesville Graded and High School for the coming year, but owing to the abandoning of the Seminary, depriving her children of its advantages, preferred the school at Jensen at a larger salary.

Georgia Negress Arrested in London. New York, Sept. 15.—A person giving the name of Paul Downing, who was arrested at the Black Friars bridge, has been ordered at the Mansion house to be sent to the insane asylum at Dartford, says a London dispatch to the Herald. Downing turned out to be a Georgia negress, who, for two years has been masquerading in England as a man. She was arrested Saturday but the police had no suspicion of her sex and not until she had been removed to Bow infirmary was the discovery made. At that time she was taken into custody the negress, who posed as a man, claimed to be looking for a wife in the omnibus that was passing.

### BOARD OF CONTROL MET.

Three New Teachers Named for University of Florida.

The Florida Board of Educational Control met in this city yesterday for the purpose of disposing of the regular business for the month. Owing to the fact that the Board will not receive the reports of the architects designated to make plans for the University buildings at Gainesville, there was nothing before this meeting other than routine business.

Among the matters disposed of was the regular bills for the month and the appointment of teachers for the University of Florida as follows:

A. H. Chapman of Mississippi, assistant to the head of the department of agriculture.

H. V. Fawcett of Ohio, assistant to the head of the department of agriculture.

Leonard Haseman of Indiana, assistant to the head of the department of entomology.

There were a great many bills paid for the various schools. Those present at the meeting were President N. P. Bryan of Jacksonville, Dr. Brown of Eastis and N. K. Adams of White Springs. Secretary Kellum and President Andrew Stedd of the University of Florida were also in attendance.—Times-Union, 18th.

Accident to Mrs. Duke.  
Mrs. S. V. Duke was the victim Tuesday of a painful accident which will cause her considerable inconvenience for some time. While peeling sugar cane the knife slipped, penetrating the left arm, which caused the member to bleed freely.

Dr. J. H. Colson was summoned and dressed the wound, and at last accounts the lady was resting easily. Friends sympathize with her in this misfortune.
